

## **Reviewer's report**

**Title:** Gender differences in patients with dizziness and unsteadiness regarding self-perceived disability, anxiety, depression, and its associations

**Version:** 5 **Date:** 13 February 2012

**Reviewer:** KATHRINE JAUREGUI-RENAUD

### **Reviewer's report:**

The revisions that were stated with the reviews of the article were satisfactorily considered.

A minor inconsistency to be checked is the number of participants described at the beginning of the discussion (202 instead of 200).

**Level of interest:** An article whose findings are important to those with closely related research interests

**Quality of written English:** Acceptable

**Statistical review:** Yes, and I have assessed the statistics in my report.

### **Declaration of competing interests:**

I declare that I have no competing interests
