Nutrition Journal

I would like to resubmit the paper titled **Plasmatic Higher Levels of Homocysteine in Non-Alcoholic Fatty Liver Disease (NAFLD)** to this journal, in view of the request of Dr. Hiromichi Kumagai.

I consider that this research is related with the scope of this journal and I hope that this study bring a contribution on Fatty Disease research. The authors declare that they do not have competing interests.

Sincerely,

Prof^a. Dr^a. Maria Tereza Cartaxo Muniz

Instituto de Ciências Biológicas, Universidade de Pernambuco.
