### **Reviewer's report:**

Major Compulsory Revisions: There are none.

Minor Essential Revisions: There are none.

Discretionary Revisions: On page 4 (lines 4-5), a sentence has been added as "Lactose-free products are highly necessary..." The use of the term "highly" is not needed here but does not detract from the meaning so retaining term is acceptable. Suggestions would include "...are necessary.." or "...products are critical for assuring..." The decision is at the authors' discretion.
