Reviewer's report

Title: Should C-reactive protein concentration at ICU discharge be used as a prognostic marker?

Version: 2 Date: 14 September 2010

Reviewer: Gerald KIERZEK

Reviewer's report:

OK for me with re-review.
Changes made accordingly

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: Yes, but I do not feel adequately qualified to assess the statistics.
