Reviewer's report

**Title:** Endotracheal intubation with Airtraq versus Storz videolaryngoscope in children younger than two years - a randomized pilot-study

**Version:** 3 **Date:** 27 March 2012

**Reviewer:** John Fiadjo

**Reviewer's report:**

The issues I raised have been satisfactorily addressed, I have no further critiques of the manuscript and feel it is acceptable for publication.

**Level of interest:** An article of importance in its field

**Quality of written English:** Acceptable

**Statistical review:** No, the manuscript does not need to be seen by a statistician.
