Reviewer's report

Title: Xylazine-induced Reduction of Tissue Sensitivity to Insulin Leads to Acute Hyperglycemia in Diabetic and Non-diabetic Monkeys

Version: 2 Date: 19 September 2013

Reviewer: Joseph J J. McArdle

Reviewer's report:

The authors have done their best to respond to my comments and the manuscript is now acceptable.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: Yes, but I do not feel adequately qualified to assess the statistics.
