Reviewer’s report:

Minor revision:
- PCV should be changed to plaque composition in all parts of the text
- page 4 line 13 should be ...and change in plaque composition
- page 6 line 20 "evacuated" should be replaced with "withdrawn"
- page 7 line 5 (iii) shouldn’t it be "type and dose of statin"?
- page 7 line 7 : in which studies did the authors contact the investigators and whether they were provided with appropriate data

Level of interest: An article of importance in its field
