Reviewer's report

Title: Randomized clinical trial to evaluate the effect of a supervised exercise training program on readmissions in patients with myocardial ischemia: a study protocol

Version: 1 Date: 19 December 2012

Reviewer: Kazuhiro P. Izawa

Reviewer's report:

This manuscript was well written, however, in the abstract, the results should be included, and number of the patients and mortality rate etc.

Level of interest: An exceptional article

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.
