Reviewer's report

Title: Ethnic differences in the occurrence of acute coronary syndrome: results of the Malaysian National Cardiovascular Disease (NCVD) Database Registry (March 2006- February 2010)

Version: 1 Date: 16 June 2013

Reviewer: Tarek Kashour

Reviewer's report:

See attached document

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Needs some language corrections before being published

Statistical review: Yes, but I do not feel adequately qualified to assess the statistics.
