Reviewer's report

Title: Historical Trends in Survival of Hospitalized Heart Failure Patients: 2000 versus 1995

Version: 2 Date: 1 December 2006

Reviewer: Robbert R Sanderman

Reviewer's report:

General
Prof. Robbert Sanderman has seen the reactions of the authors and agrees with publishing the manuscript.

------------------------------------------------------------------------------------------------------------------

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)

------------------------------------------------------------------------------------------------------------------

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)

------------------------------------------------------------------------------------------------------------------

Discretionary Revisions (which the author can choose to ignore)
