Reviewer's report

Title: Effect of garlic on blood pressure: A systematic review and meta-analysis

Version: 1 Date: 16 April 2008

Reviewer: Gregory Lip

Reviewer's report:

The authors have done a good job addressing my comments and that of the other reviewer.

If the statistical reviewer is happy, so am I.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: Yes, but I do not feel adequately qualified to assess the statistics.

Declaration of competing interests:

'I declare that I have no competing interests'
