Reviewer's report

Title: Factors affecting pediatric isotonic fluid resuscitation efficiency: a randomized controlled trial evaluating the impact of syringe size.

Version: 7 Date: 4 July 2013

Reviewer: Allan de Caen

Reviewer's report:

The authors have satisfactorily addressed all of my questions and revised the submission where appropriate. I am satisfied that the submission as finally submitted is appropriate (from my perspective) for publication.

Thank you again for having been given the opportunity to review your submission.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.
