Reviewer's report

Title: Comparison of participants and non-participants to the ORISCAV-LUX population-based study on cardiovascular risk factors in Luxembourg

Version: 3 Date: 10 August 2010

Reviewer: Dag Steinar Thelle

Reviewer's report:

The above paper has been revised and I have no further comments. The issue as such - non-response or selection bias - should lead to a further discussion in your journal. I recommend the paper to be published.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.
