Reviewer's report

Title: Representation of less-developed countries in Pharmacology journals and difficulties in publishing: an opinion of corresponding authors in an online survey

Version: 1 Date: 31 January 2011

Reviewer: David Resnik

Reviewer's report:

Minor essential revisions
1. There are some problems with the English (mostly grammar). Please have someone who is proficient in English writing to revise the paper.
2. Impact factor should be defined and explained. What does is its meaning and significance for scientific publication?

Level of interest: An article of outstanding merit and interest in its field

Quality of written English: Needs some language corrections before being published

Statistical review: Yes, but I do not feel adequately qualified to assess the statistics.
