Reviewer's report

Title: Concordance of self-reported and medical chart information on cancer diagnosis and treatment

Version: 3 Date: 14 February 2011

Reviewer: Kelly-Anne Phillips

Reviewer's report:

The authors have done a good job of addressing my previous comments.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

I declare that I have no competing interests
