Reviewer’s report

Title: Baseline characteristics and patient reported outcome data of patients prescribed etanercept: web-based and telephone evaluation

Version: 4 Date: 8 April 2011

Reviewer: Nan Rothrock

Reviewer’s report:

This revision is responsive to my previous review. This text needs minor cleaning up (e.g., pie chart doesn't have one category in legend) that I assume will be addressed by the authors and journal editors.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

I declare that I have no competing interests.
