Reviewer's report

Title: Patient, caregiver, health professional and researcher views and experiences of participating in research at the end of life: a critical interpretive synthesis of the literature

Version: 2 Date: 12 January 2012

Reviewer: Janet R Hardy

Reviewer's report:

- Major Compulsory Revisions
Please see attached document for comments

- Minor Essential Revisions
The paper would benefit from careful proof reading

- Discretionary Revisions
These are recommendations for improvement which the author can choose to ignore. For example clarifications, data that would be useful but not essential.

Please note that both the comments entered here and answers to the questions below constitute the report, bearing your name, that will be forwarded to the authors and published on the site if the article is accepted.

Level of interest: An article of limited interest

Quality of written English: Not suitable for publication unless extensively edited

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:
