Reviewer's report

Title: The reliability of a quality appraisal tool for studies of diagnostic reliability (QAREL)

Version: 2 Date: 23 August 2013

Reviewer: Ana Marusic

Reviewer's report:

The authors satisfactorily answered my questions and comments and addressed them adequately in the revised text.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.
