Title: Participant recruitment in sensitive surveys: a comparative trial of 'opt in' versus 'opt out' approaches

Version: 2 Date: 22 November 2012

Reviewer: Sarah Damery

Reviewer's report:

The authors have done a thorough job of responding to reviewers' comments. I am happy that the authors have satisfactorily addressed the comments that I made in my review, and think the paper is more coherent and scientifically sound as a result. From my perspective, there are no further barriers to publication of this manuscript.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: Yes, and I have assessed the statistics in my report.
