Reviewer's report

Title: Development and Evaluation of a Quality Score for Abstracts

Authors:

Dr Antje Timmer (antje.timmer@klinik.uni-regensburg.de)
Lloyd R Sutherland (lsutherl@acs.ucalgary.ca)
Robert J Hilsden (rhilsden@acs.ucalgary.ca)

Version: 3 Date: 22 Nov 2002

Reviewer: Dr Roberta Scherer

Level of interest: A paper whose findings are important to those with closely related research interests

Advice on publication: Accept without revision

The authors have addressed the concerns that I expressed in the original review, either in the revised manuscript or in the attached letter.

Competing interests:

None declared.
