Reviewer's report

Title: Patient recruitment to a randomized clinical trial of behavioral therapy for chronic heart failure

Version: 3 Date: 25 March 2004

Reviewer: Nicola Mills

Reviewer's report:

General

I have read the revised manuscript and I am satisfied that my original criticisms have been met.

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)

None

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)

The word 'trail' in the first sentence of the Methods section needs to be changed to 'trial'.

Discretionary Revisions (which the author can choose to ignore)

None

What next?: Accept without revision

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No

Declaration of competing interests:

None
