Title: Towards socially inclusive research: an evaluation of telephone questionnaire administration in a multilingual population

Version: 2 Date: 21 November 2007

Reviewer: Tim Allison

Reviewer's report:

General
Changes to the paper address the issues that I raised.

-------------------------------------------------------------------------------

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)

None

-------------------------------------------------------------------------------

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)

Change the word "telephone" at the bottom of page 4 to "direct contact". This is because reference 11 relates to face to face interviews rather than telephone interviews. I think that direct contact can encompass both.

-------------------------------------------------------------------------------

Discretionary Revisions (which the author can choose to ignore)

None
