Reviewer's report

Title: Out of hours care: A profile analysis of patients attending the emergency department and the general practitioner on call.

Version: 2 Date: 26 August 2010

Reviewer: David Dunt

Reviewer's report:

Minor Essential Revisions

The authors have met the majority of my comments. They should however provide further information on the Belgium health care system not merely the health insurance scheme.

Level of interest: An article whose findings are important to those with closely related research interests.

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.
