Reviewer's report

Title: Understanding the prescription of antidepressants: a qualitative study among French GPs

Version: 3 Date: 22 August 2011

Reviewer: Elizabeth Barley

Reviewer's report:

The authors have put in a lot of effort and made most of the suggested changes. The paper now reads much more clearly and provides an interesting contribution to its field.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

I declare that I have no competing interests.
