Reviewer’s report

Title: Experiences of care planning in England: interviews with patients with long term conditions

Version: 2 Date: 29 May 2012

Reviewer: Mark Harris

Reviewer’s report:

I am happy that the authors have addressed all the points made in my review. I have no further issues with the paper.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

I have co-authored publications more than five years ago with authors Blakeman and Roland.
