Reviewer's report

Title: End-of-life hospital referrals by out-of-hours general practitioners: a retrospective chart study

Version: 2 Date: 29 July 2012

Reviewer: Mieke L van Driel

Reviewer's report:

The authors have addressed the issues well and I have no further points to consider.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

'I declare that I have no competing interests'
