Title: Improving the management of people with a family history of breast cancer in primary care: before and after study of audit-based education

Version: 4 Date: 18 June 2013

Reviewer: Nadeem Qureshi

Reviewer's report:

Response to Authors' cover letter on Revised document

Thank you for forwarding the Authors’ cover letter for revised document

In line with my previous comments about the revised paper:

• the authors have provided satisfactory responses to QUERIES 1,2,4,5,6, 9 to 30.
• In QUERY 8, only clarification is on the relevance of statement “codes with asterix” (as in my comments on the revised paper)
• Acknowledge different opinion of QUERIES 3 & 7 but accept can publish as revised

Look forward to seeing this published.

Level of interest: An article of importance in its field

Quality of written English: Needs some language corrections before being published

Statistical review: Yes, but I do not feel adequately qualified to assess the statistics.
