Reviewer's report

Title: Out-of-hours primary care. Implications of organisation on costs.

Version: 2 Date: 26 April 2006

Reviewer: Kate A O'Donnell

Reviewer's report:

General

I have read the revised version of this manuscript and am happy both with the changes made and the explanations given in the authors' accompanying letter.

-----------------------------------------------------------------------------------------------

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)

-----------------------------------------------------------------------------------------------

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)

-----------------------------------------------------------------------------------------------

Discretionary Revisions (which the author can choose to ignore)

-----------------------------------------------------------------------------------------------

What next?: Accept without revision

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No
