Reviewer’s report

Title: German ambulatory care physicians’ perspectives on clinical guidelines - a national survey

Version: 2 Date: 20 June 2006

Reviewer: Paul Glasziou

Reviewer’s report:

General
Previous comments have been well addressed

-----------------------------------------------------------------------------------

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)

-----------------------------------------------------------------------------------

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)

-----------------------------------------------------------------------------------

Discretionary Revisions (which the author can choose to ignore)

What next?: Accept without revision

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No
