Reviewer's report

Title: General Practitioners involvement in Enteral Tube Feeding at home: a qualitative study

Version: 3 Date: 2 April 2007

Reviewer: Donald R. Duerksen

Reviewer's report:

General
I have reread this paper with its revisions. I would accept this paper for publication in your journal given the revisions that have been made.

--------------------------------------------------------------------------------------------------

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)

--------------------------------------------------------------------------------------------------

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)

--------------------------------------------------------------------------------------------------

Discretionary Revisions (which the author can choose to ignore)
