Reviewer’s report

Title: General practitioners knowledge and practice of complementary/alternative medicine and its relationship with life-styles: a population-based survey in Italy

Version: 3 Date: 16 February 2007

Reviewer: Karsten Muenstedt

Reviewer’s report:

General
The authors have considerably revised the manuscript. In the present version it is acceptable for publication.

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)

Discretionary Revisions (which the author can choose to ignore)

What next?: Accept without revision

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:
