Reviewer’s report

Title: General practitioners knowledge and practice of complementary/alternative medicine and its relationship with life-styles: a population-based survey in Italy

Version: 3 Date: 14 February 2007

Reviewer: Marie Pirotta

Reviewer’s report:

General
Much improved paper after revision.

-----------------------------------------------

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)

-----------------------------------------------

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)

Only one small thing in the Background: 2nd paragraph, line 11 should be demand FOR CAM not of.

-----------------------------------------------

Discretionary Revisions (which the author can choose to ignore)

What next?: Accept after minor essential revisions

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Needs some language corrections before being published

Statistical review: Yes, but I do not feel adequately qualified to assess the statistics.
