Reviewer's report

Title: Defining frequent attendance in general practice

Version: 4 Date: 5 February 2008

Reviewer: Thomas O'Dowd

Reviewer's report:

I think this paper has improved very much and I am happy with their approach. It is an important addition to the literature on frequent attenders.

What next?: Accept without revision

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.
