Reviewer’s report

Title: Is there a need for a GP consultant in a university hospital?

Version: 1 Date: 13 June 2008

Reviewer: Jan De Maeseneer

Reviewer’s report:

This article deals with a relevant question, about the position of the family physician in relation to the University Hospital. The research question is clear, the methodology adequate and the conclusions are relevant in order to avoid a development that is not cost-effective.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:
