Reviewer’s report

Title: The impact of multimorbidity on younger deprived patients: an exploratory study of research and service implications in general practice

Version: 2 Date: 12 December 2007

Reviewer: Marjan van den Akker

Reviewer’s report:

I’m satisfied with the authors’ responses and the adjustments they have made.

What next?: Accept without revision

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:
