Reviewer’s report

Title: Complementary or alternative? The use of homeopathic products and antibiotics amongst pre-school children

Version: 2 Date: 24 August 2007

Reviewer: Heather Boon

Reviewer’s report:

General
I have no additional comments or suggestions.

-------------------------------------------------------------------------------------------------

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)

---------------------------------------------------------------------------------------------

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)

---------------------------------------------------------------------------------------------

Discretionary Revisions (which the author can choose to ignore)

What next?: Accept without revision

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.
