Reviewer's report

Title: Primary repair of colon injuries: clinical study of non selective approach

Version: 2 Date: 22 February 2010

Reviewer: Andrew Hill

Reviewer's report:

While the English requires some further text editing it is much improved.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

I declare that I have no competing interests
