Reviewer's report

Title: Chronic Presentation of Boerhaave's Syndrome

Version: 1 Date: 17 August 2009

Reviewer: Andrew Hill

Reviewer's report:

There are a number of typos that need attention. Otherwise this is an interesting addition to the literature.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Needs some language corrections before being published

Statistical review: No, the manuscript does not need to be seen by a statistician.
