Reviewer's report

Title: Comparative cost-efficiency of EVOTECH ECR versus Medivator DSD-201 in a real-world Canadian hospital endoscopy setting.

Version: 2 Date: 10 February 2011

Reviewer: Giancarlo Spinzi

Reviewer's report:

The questions posed by the Authors are well defined, the methods appropriate and the data sound. I only regret that few endoscopes were reprocessed.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:
