Reviewer's report

Title: Transcript levels of Toll-like receptors 5, 8 and 9 correlate with inflammatory activity in Ulcerative Colitis

Version: 6 Date: 5 November 2011

Reviewer: Mathias Chamaillard

Reviewer's report:

This version of the manuscript has been greatly improved. The authors have done a nice job by addressing most of the comments and adding supporting additional data.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

I have no competing interests to declare.
