Reviewer’s report

Title: Prevalence and severity of antipsychotic related constipation in patients with schizophrenia: a retrospective descriptive study.

Version: 2 Date: 7 February 2011

Reviewer: Takefumi Suzuki

Reviewer’s report:

The reviewer thinks the authors have adequately addressed concerns raised by the referees. In Table 1, brand name for q(Q)uetiapine is missing. Also, "sedative" may appear as "Low-potency typicals". The reviewer has no further comments.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

Dr. Suzuki has received fellowship grants from the Japanese Society of Clinical Neuropsychopharmacology, Government of Canada Post-Doctoral Research Fellowships, Kanae Foundation, and Mochida Memorial Foundation, and manuscript fees from Kyowa Hakko Kirin and Dainippon Sumitomo Pharma.
