Reviewer's report

Title: Gastronet survey on the use of one- or two-person technique for colonoscopy insertion

Version: 2 Date: 22 May 2011

Reviewer: Giancarlo Spinzi

Reviewer's report:

I find that the changes done have substantially ameliorate the article.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

I declare that I have no competing interests
