Reviewer's report

Title: Stoical patients are more likely to have colorectal cancer

Version: 2 Date: 25 July 2012

Reviewer: Alice Simon

Reviewer's report:

The authors have carried out additional work on this paper and successfully addressed the points raised in my previous review.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: Yes, but I do not feel adequately qualified to assess the statistics.

Declaration of competing interests:

I declare that I have no competing interests.
