Reviewer's report

Title: Role of Vitamin K2 in Preventing the Recurrence of Hepatocellular Carcinoma after Curative Treatment. A Meta-Analysis of Randomized Controlled Trials.

Version: 1 Date: 12 May 2012

Reviewer: Masaki Kaibori

Reviewer's report:

Overall the manuscript was well written and results were described in detail, this study has no problems.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: Yes, but I do not feel adequately qualified to assess the statistics.
