Reviewer’s report

**Title:** Risk of esophagus cancer in diabetes mellitus: A population-based case-control study in Taiwan

**Version:** 2 **Date:** 18 November 2012

**Reviewer:** PJ Brooks

**Reviewer’s report:**

The authors have addressed the issues I raised as well as they could, given the limitations of the data set that was available to them.

**Level of interest:** An article whose findings are important to those with closely related research interests

**Quality of written English:** Acceptable

**Statistical review:** No, the manuscript does not need to be seen by a statistician.

**Declaration of competing interests:**

no conflicts of interest
