Reviewer's report

Title: Cost and burden of gastroesophageal reflux disease among patients with persistent symptoms despite proton pump inhibitor therapy: an observational study in France

Version: 2 Date: 25 January 2013

Reviewer: Wieslaw Bochenek

Reviewer's report:

Authors’ replies and proposed revisions to the manuscript and the expansions are accepted

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: Yes, but I do not feel adequately qualified to assess the statistics.

Declaration of competing interests:
