Reviewer's report

Title: Endoscopist specialty is associated with colonoscopy quality

Version: 2 Date: 25 January 2013

Reviewer: Alain Demers

Reviewer's report:

Please see attached document.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Needs some language corrections before being published

Statistical review: Yes, but I do not feel adequately qualified to assess the statistics.

Declaration of competing interests:

I have no conflict of interest to declare
