Reviewer's report

Title: Hepatolithiasis with biliary ascariasis - A case report

Version: 7  Date: 12 September 2003

Reviewer: luca antonio aldrighetti

Reviewer's report:

General
Responses from the authors to my questions are OK!

Discretionary Revisions (which the author can choose to ignore)

Minor Compulsory Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)

Advice on publication: Accept without revision

Level of interest: A paper whose findings are important to those with closely related research interests

Quality of written English: Acceptable
