Reviewer's report

Title: Nitric oxide-an endogenous inhibitor of gastric acid secretion in isolated human gastric glands

Version: 2 Date: 12 June 2004

Reviewer: koji Takeuchi

Reviewer's report:

Minor Essential Revisions, ie., grammatical errors.

What next?: Accept after discretionary revisions

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No

Declaration of competing interests:

The authors satisfactorily revised the manuscript by taking the reviewers comments into consideration. I have only minor suggestions on the revised manuscript in the following: Page 16, line 7 from the bottom: indicates----indicate; the same for line 5 from the bottom
