Reviewer's report

Title: Clinical presentation of abdominal tuberculosis in HIV seronegative adults

Version: 2 Date: 26 May 2005

Reviewer: Gary Maartens

Reviewer's report:

General
I am happy with their changes.

---------------------------------------------------------------

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)

---------------------------------------------------------------

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)

---------------------------------------------------------------

Discretionary Revisions (which the author can choose to ignore)
